LETTER TO SHAREHOLDERS

Dear Shareholders,

Reflecting on the extraordinary journey of Huna Totem's Golden Anniversary year, I am honored to share with you the remarkable accomplishments and milestones that have shaped our collective success. The theme of this newsletter edition revolves around the strength of *Woosh Jee Een*, highlighting the invaluable contributions of so many to the prosperity of our corporation.

Our commitment to staying the course in our business strategies, despite the volatility and uncertainties in the stock markets and tourism

industries, has brought us growth and innovation, which in turn propelled us to new heights in 2023. It is this growth and innovation that allowed us to pay Shareholders a record corporate spring dividend earlier this year. Our expanded development within the state made meaningful strides putting the finishing touches on both our Klawock and Whittier projects before projected openings during the 2024 tourist season. Furthermore, we forged a strategic partnership with Chukka Caribbean Adventures, broadening our reach and influence in the global market. The diversity of our ventures reflects not only our commitment to economic success but also our dedication to showcasing the rich cultural heritage of the *Xúna* Tlingit.

At the core of our success lies the adherence to our traditional values as Tlingit people. Our commitment to preserving and promoting these values has been instrumental in navigating the complexities of the business world while staying rooted in our cultural identity. It is our shared belief in these principles that has guided us through the past 50 years and will continue to propel us into a future filled with promise and success.

As we look ahead, let us remain steadfast in our dedication to the mission of Huna Totem. Our journey is grounded in the well-established traditions of the *Xúna Kaawu*, and it is these very traditions that will lead the way forward. Together, we can navigate the path ahead with confidence, knowing that our unity and resilience will be the driving force behind our continued success.

Thank you for your unwavering support and commitment to Huna Totem Corporation.

With warmest regards,

RUSSELL DICK *Younce Kóo oo Wóo*
President & CEO, Huna Totem Corporation

FAREWELL TO DIRECTOR JACK

In December 2023, veteran Board member *Yík Déi Héen* Ernest Jack announced after 27 years as a Board member, he would not seek re-election in this year's Annual Election and would be stepping down after his 9th term in June 2024.

Director Jack has given a lifetime of public service over the span of his career, serving in various capacities to include the City of Hoonah as Heavy Equipment Operator from 1981-2007, Tlingit-Haida Central Council where he was a Delegate from 1986-2012, Tlingit-Haida Housing Authority, serving as Commissioner from 1996-2005, Alaska Native Brotherhood Camp 12 where he is a lifetime member, ANB Grand Camp – serving as 1st Vice-President, and the Hoonah Indian Association as Realty Specialist.

Each of these acts of public servitude are very admirable, and we are both proud and honored that Director Jack committed so much of his personal and family time in carrying forward our Corporation's Mission and Vision these past 27+ years, to create a better and brighter future for the *Xúna Kaawu*.

We will all miss the love and guidance Director Jack has given each and every one of us over the course of his service, and we are grateful and humbled by his selfless dedication. We wholeheartedly lift him up in celebration as he embarks on this new chapter of retirement.

For his retirement gift, Ernest was presented with a drum, which depicts his *Wooshkeetaan* Clan (shark) crest. To make this gift extra special, Huna Totem reached out to Ernest's granddaughter, Krista Howland to have her create the formline artwork especially for his gift.

Director Jack's departure from the Board created a vacant seat on the 2024 Board Slate and, in March 2024, a search for a new Board candidate to round out the Slate began. After multiple interviews were conducted, the Board ultimately selected Travis A. Dybdahl to fill the vacant seat on the Board Slate.

Aatlein Gunalchéesh to those Shareholders who submitted their resume for consideration to fill the vacancy. Your willingness to step-up to serve your fellow *Xúna Kaawu* is admirable, and we wish you well in all future endeavors.

DIKÉEX' WOOC H GAYILSHÁAT

(Hold each other up)

Another fine example of *Xúna Kaawu* living our values is the growing list of generous donors each year who choose to direct their proxy voting incentives to the Huna Heritage Foundation in support of the Mission of our non-profit organization to “enrich Our Way of Life in perpetuity.” These donations help Huna Totem and Huna Heritage Foundation foster and support higher learning, which remains a top priority as identified by our shareholders.

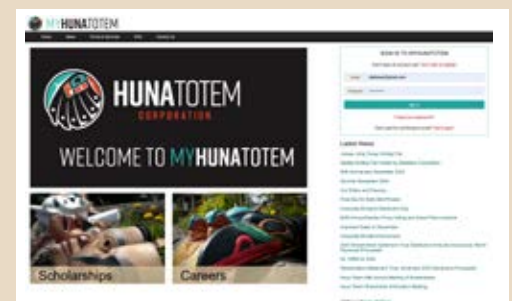

Gunalchéesh, Shareholders, for donating your \$30 voting incentive to Huna Heritage Foundation!

SHAREHOLDER PORTAL INFORMATION

Your Shareholder Relations Team is on a Mission! **We currently have 948 out of 1,623** or **58%** of Huna Totem shareholders registered to use the www.MyHunaTotem.com site, also known as the “Shareholder Portal,” and this year, we are making it a goal to sign up even more Shareholders!

Because we are stewards of the land, air, and sea, we urge Shareholders to utilize the “GO GREEN!” options for newsletters and information retrieval. When you register to use the Shareholder Portal, you have 24/7 access to your shareholder record, where you can perform basic record maintenance such as change of address, sign up for direct deposit, view your distribution history, print your own Shareholder verifications, income verifications, and view your Testamentary Disposition (also called a “stock will”). You can also send secure messages to Shareholder Relations staff. We strongly encourage all Shareholders to register to use the Shareholder Portal. If you need assistance with registration, please let us know, and we will walk you through the process.

Online Shareholder Portal

Launched in January 2017, the MyHunaTotem.com Shareholder Portal is a useful and convenient tool for Shareholders to track and update their shareholder information on file with the Corporation. In Spring 2023, the Shareholder Portal also began providing easy access to online voting in Huna Totem's Annual Election.

To access your information, visit MyHunaTotem.com or visit Huna Totem's website and click on the 'MyHunaTotem Shareholder Login' button in the upper left to be redirected to the portal. When you access MyHunaTotem for the first time, shareholders will need to create an account to be linked to their shareholder information:

1. Click on “Click here to register.”
2. Select your shareholder status.
3. Enter your email address and a password to use as your login information.
4. Enter your date of birth and last four digits of your Social Security.
5. Click “Register”. You will receive an email to authenticate your account before first use.

NO LOST SHAREHOLDERS

We are beyond excited to announce that we have completely whittled down our infamous “Lost Shareholders” list! As of March 1st, we have **NO** lost shareholders—meaning every shareholder in our database is accounted for with current profile information. There are no “bad” or “unknown” addresses for our approximately 1,600 shareholders! This is due to the amazing sleuthing of our Shareholder Services Director Michelle Starbard and the incredible networking we have established with our Shareholders as well as fellow Shareholder Relations counterparts at other ANCSA Corporations. This accomplishment is another example and testament to the great work we can achieve when we all work together! *Gunalchéesh!*

WELCOME NEW SHAREHOLDERS TO HTC

We would like to welcome all our new Shareholders from 2023 and 2024! These 121 new Shareholders were enrolled due to inheriting shares from a recently departed shareholder or because they were gifted shares from a family member.

RETURNING TO GLACIER BAY

We are pleased to announce that Huna Totem's Cultural Interpretive subsidiary, Alaska Native Voices (ANV), has returned to Glacier Bay National Park for the 2024 season. This marks a significant shift for our program as we endeavor to rebuild and resume our operations within this iconic Alaskan landscape. Over the past few seasons, unforeseen challenges led to a temporary shift in ANV's programming, moving away from onboard interpretation to providing interpretive services only during port calls. We remain committed to providing enriching and authentic cultural experiences for our visitors, and returning to Glacier Bay allows us to reconnect with the roots of our mission and offer a more immersive exploration of our Ancestral Homeland - *Xúna Kaawu Aani kax'* (Territory of the Huna People).

As we pivot back to Glacier Bay, we are enthusiastic about rekindling the spirit of ANV's mission: "developing and providing

experienced, knowledgeable cultural tourism professionals and cultural insight to customers. We achieve this by providing guidance and services that balance business excellence, cultural integrity, and visitor expectations", fostering a deeper understanding of the rich heritage and history of the *Xúna Kaawu*. Our team is dedicated to creating memorable experiences that bridge the past with the present, offering a glimpse into our profound cultural legacy as the Indigenous people of this region.

We welcome our visitors to Glacier Bay National Park in 2024, where the majesty of the landscape meets the enduring spirit of Alaska Native Voices.

ANV Guides at *Xuna Shukaa Hit*, the Clan House at Glacier Bay National Park. Left to Right: John Glover, Fred Fulmer, Deb Wright Picken, Kevin Skeek, and Herb Sheakley Jr.

PAYING TRIBUTE

FRED PARADY

It is with deep sorrow we share the news of the passing of our dear friend and colleague, Fred Parady, who served as our Executive Vice President and Chief Operating Officer from May 2019 until his sudden and untimely passing on Sunday, June 16, 2024.

Known for his kindness and fierce loyalty, Fred was a remarkable individual and a staunch supporter and champion for all. Throughout his time with us at Huna Totem, Fred touched many lives with his unwavering support, dedication, and genuine care for everyone around him. He embodied the spirit of community and was a true example of compassion and strength.

He absolutely loved our company, our values, and most of all, he loved working to make life better for those we represent. Fred's legacy will continue to inspire us, and he will be deeply missed by all who had the privilege of knowing him.

Please keep his family and friends in your thoughts and prayers as they cope with the challenging days ahead.

Huna Totem is deeply saddened with the news of the passing of *Xúna Kaawu T'akdeintaan* Clan Leader *Kaaxkaatuklagé* Ken Grant, who traveled to the Other Shore, Sunday, June 23rd.

Kaaxkaatuklagé was *Hít S'aatí* (House Leader) for the *G'aanaxaa Hít* (Seagull House), and was child of *Kaagwaantaan*, grandchild of *Kaagwaantaan* and great-grandchild of the *Chookaneidí*.

His parents were the late Katherine (Johnson) Grant and Robert Grant, Sr. and his grandparents were the late Margaret "Maggie" Obert Johnson and Willie Johnson Sr., He previously served on the Huna Totem Board of Directors and worked tirelessly to perpetuate *Xúna Kaawu Lingít Kusti* (Hoonah Tlingit Way of Life), wearing many hats to advance the traditional knowledge and customs of the Hoonah Tlingit. He was a noted storyteller and utilized this craft in his work with the Hoonah Indian Association and the National Park Service, where he was instrumental in the planning, design, and implementation of the *Xúna Shukáa Hít*, the Clan House at Glacier Bay National Park. In more recent years, Ken served on the Council of Traditional Scholars for the Sealaska Heritage Institute. He provided countless hours giving public lectures, taping documentaries, and contributing to the transfer and safekeeping of his invaluable knowledge of the Tlingit culture, language, and the history of Hoonah and its people.

Yee gu.aa yáx x'wán to the *T'akdeintaan* Clan, and the family and loved ones of *Kaaxkaatuklagé*. You are in our thoughts and prayers as you endure this difficult time.

KEN GRANT

SENDING OUR HEARTFELT CONDOLENCES

ANNUAL MEETING RECAP

This year's Annual Meeting was held at the Adventure Center at Icy Strait Point. We had another record turnout, both in person and online, with 144 people who registered at the Shareholder Relations sign-in table and another 42 Shareholders who viewed the livestream on the Shareholder Portal!

The Grand Prize(s) at the Annual Meeting this year were set up as a 3-2-1 cash giveaway with \$3,000 given to the grand prize winner, followed by a second place \$2,000 winner and \$1,000 for the third-place prize. In addition to the 3-2-1 cash prizes, multiple prizes were made available to all shareholders who voted in the election and those who were present in person or online.

Thanks to all the amazing and hard-working staff at Icy Strait Point for their support in helping us fulfill this vital part of Huna Totem's Mission. We'd also like to give a special shout-out to Food and Beverage Director Stacy Hall for the delicious halibut chowder and chicken adobo with rice prepared for our Shareholders who attended and to Captains Duane Jack and Andrew Jack along with their crews on the Port Frederick and Kéet catamaran vessels for ensuring the safe passage of our Juneau-based Shareholders to and from the Annual Meeting.

INFORMATION MEETING(S) RECORD TURNOUT

On May 18th and 19th, we hosted back-to-back Shareholder Information Meetings in Hoonah and Seattle. These meetings are essential to our Mission at Huna Totem, as they are the platform where Shareholders can learn about the Corporation's performance over the past year and engage directly with the Board and the Executive Management.

The May 18th Information Meeting was broadcast live from Hoonah on the Shareholder Portal where the recording can still be viewed and includes the Shareholder Q&A portion. The Mt. Fairweather Dancers, led by Kim Kaa' aah (Lindoff) Campbell and Heather L'geiki (Powell) Mills, opened the proceedings with lively and fun singing and dancing.

The May 19th Information Meeting was held at the Tlingit-Haida Central Council Lynnwood, Washington location. We were thrilled to return to the lower-48 to engage with our Shareholders who live too far from home to have regular face-to-face time with our Board and Management. The Kuteeya Dancers, led by T'akdeintaan Leader Florentino "Tiny" Barril, opened the meeting, treating our homesick relatives with songs of the Xúna Kaawu. Shareholder Relations Manager Carla Casulucan donated herring eggs on hemlock branches, fresh hooligans, and berry jam to create four Native Food Baskets to give away as Door Prizes especially for the Seattle event, recognizing that these Shareholders don't have access to our traditional foods in the same manner as those who still live at home in Alaska. Additionally, there were jarred smoked strips donated by our CEO, Russell Dick, and jarred fresh pack salmon and deer meat donated by Vice Chairman Anthony Lindoff.

JULIA Mesdag | Please help us extend a warm welcome to Julia Mesdag, our new Executive Assistant! Julia was born and raised in Juneau, where she spent most of her time fishing, hiking, biking, and skiing with her family. She attended Whitworth College where she earned a degree in Athletic Training. After a few years of caring for high school athletes and living in Washington, she and her family decided it was time to move home to be closer to family. Julia took a break from her career to stay home and raise their two daughters.

When she returned to work, Julia pivoted and began her journey in the world of administration. She worked as the scheduling assistant for the Governor, running all the logistics for his events. Her tenure with the Governor's Office spanned three administrations, where she built strong relationships and later joined the Alaska Permanent Fund Corporation for several years. Outside of work, Julia, her husband Mark, and their two daughters (ages 16 and 13) love to spend time outdoors together whether that be on their boat, skis, or adventuring to new places. Julia is an avid runner and is excited to earn her spot on the Senator's cup when she completes the tenth leg of the Klondike Road Relay this fall.

Julia's connection with ANCSA Corporations began as a small child at Sealaska Corporation, where her dad, Rob Johnson, worked for 23 years. She could often be found running around the office after school and got to know many of the staff and shareholders during that time. Some of those connections are being rediscovered as she embarks on her own journey with us. We are thrilled to have Julia join our Huna Totem family!

CAITLIN Cardinell | We're excited to welcome Caitlin Cardinell as the Tourism Group Project Manager. Caitlin grew up in and around the many lakes in Minnesota and Wisconsin. She attended the University of Wisconsin-Madison and graduated with honors with degrees in Psychology, Legal Studies, and Criminal Justice. Her path to and connection with Alaska started in Wrangell, where she worked at a wilderness therapy organization, leading 48-day backcountry canoeing and hiking expeditions with at-risk Alaskan youth. Guiding and bearing witness to youth reconnecting with the land and using traditional means of transportation in the forests of southeast Alaska to learn life skills, process trauma, and build resilience inspired her connection to this region and its people.

Twelve years later, she has held positions as a commercial fishing deckhand, collecting data for salmon research projects with Alaska Dept. of Fish & Game, lobbying on the state level for transboundary mining regulations on rivers that flow from British Columbia into SE Alaska waters, in municipal government leadership, as a tour guide, and an entrepreneur. During these years in Alaska, she has been involved on some level in the tourism industry, including guiding sea-kayak tours and as Executive Director of a corporation made up of several independent tour operating businesses, embedding herself as a liaison between independent shore excursion operators and cruise lines. She has served as president of the Wrangell Chamber of Commerce, Vice-Chair of the Wrangell Economic Development Committee, and board member of Wrangell Convention & Visitor Bureau.

In her free time, Caitlin is an avid reader, loves cold plunging in Mendenhall Lake with her dog, summer alpine deer hunting, is a competitive adult figure skater, and will never grow tired of traveling around the world learning about different cultures, but always returning as a settler on *Lingít Aaní*. She is passionate about positioning the people of SE Alaska for economic success and is thrilled to join Huna Totem.

BRETT Dillingham | Please join us in congratulating Brett Dillingham in his new role as the Manager of Alaska Native Voices (ANV). This position is directly responsible for the operation of our Cultural Heritage Guide (CHG) programs in Glacier Bay National Park and other venues as needed. Primary duties include direct coordination with customers for interpretive programs and services as well as management and scheduling of CHG programs on cruise ship and land venues, arranging and coordinating team accommodations, staff training, and developing and implementing cultural programming. Brett will coordinate with the National Park Service, cruise lines, and other agencies to assure timely and valuable cultural programming and continued business growth. In this role, the program manager coordinates with the ANV Supervisor and other staff in managing operational budget and associated cost controls, is directly responsible for CHG recruitment, assignment, and retention, and provides leadership within HTC's tourism group. We're very happy to have a great roster of ANV Cultural Heritage Guides for this 2024 Season and welcome Brett to this new position on our team.

CORA Sibley | We are happy to welcome our Shareholder Relations summer intern, Kaantoo Cora Sibley. Cora is *Deisheetaan* (Raven/Beaver) of the *Shdéen Hít* (Steel House), and was born in Sitka and raised in Angoon. She likes to spend her time picking berries, gumboots, and any other subsistence food she can get her hands on. Cora is currently going to Haskell Indian Nations University in Lawrence, Kansas where she is working towards her bachelor's degree in business administration. "I'm so excited to be interning with Huna Totem for the summer! *Gunalchéesh!*"

HUNATEK CONTINUES GROWING

HunaTek serves as the federal contracting arm of Huna Totem. We provide valuable quality services to federal government customers in support of their missions. Beginning its work in December of 2018, HunaTek had one company in the space, and grew to three operational subsidiaries and three joint venture partnerships by the end of 2023. All three subsidiaries have been granted entrance in the

Small Business Administration's 8(a) program and hold security clearances that allow them to be competitive in the federal contracting world. Each subsidiary has secured work and has experienced significant wins in 2023.

HunaTek and Huna Totem were also honored to sponsor and host a military speaker at two Veterans Day ceremonies last year, held on Friday, November 10th in Hoonah and Saturday, November 11th in Juneau. Major General Richard Mustion, U.S. Army (Ret.), traveled to Alaska from our Nation's Capital, Washington DC, to return as Keynote speaker for both ceremonies. The Hoonah ceremony was held in partnership with Hoonah City Schools in the Alumni Gymnasium. Following the formal program, lunch was served in the cafeteria and the Major General (Ret.) was able to visit with community members

and children attending the event, sharing his background and experience in the military. Both events honored the different branches of military service, with each service flag being represented during the presentation of the colors. The overwhelming presence and support of our military community was astounding and HunaTek was honored to contribute to both events.

Other focuses for the team include recruitment to support the portfolio's continued growth, advocacy, employee engagement, and employee development. While 2023 was a wonderful year, the team has continued to drive developments in 2024, and are well positioned for this to be another year of growth, maintaining the momentum that has been established.

HunaTek also adopted its mission and vision in December 2023 after approval by the Huna Totem Board:

MISSION

Dedicated to serving the American public through exceptional support of federal agencies, HunaTek delivers a standard of excellence and integrity that embodies the values of the Xúna Kaawu.

VISION

HunaTek stands as the partner of choice with relentless drive towards sustainable growth, unwavering stability, and diversification that transcends generations.

HUNATEK INTERN LAUREN WALICKI

HunaTek is pleased to bring back the Summer Internship for a second year! Please join us in welcoming Lauren Jeixts'u Walicki, Yéil, L'eeneidí from Aanxaak Hít Xutsnoowú (Raven Dog Salmon from Angoon's Town Center house) as HunaTek's intern. Lauren grew up in Anchorage with her parents Rick Walicki of Ketchikan and Dianne McKinley of Juneau. Lauren's father, Rick, is Ts'msyen from the Gispwudwada (Tsimshian from the Killer Whale clan.) Her paternal grandparents are the late Matt and Lela Walicki and her maternal grandparents are the late Levi and Sophie McKinley. Lauren is currently attending Fort Lewis College in Durango, Colorado, pursuing a degree in anthropology.

Lauren states, "Being a Huna Totem Shareholder, as well as Huna Heritage Foundation scholarship recipient, has made me incredibly excited and proud to be this year's HunaTek Human Resources and Marketing Intern. I am looking forward to gaining more knowledge throughout the summer in my role. *Gunalchéesh!*"

GOLD MEDAL CHAMPIONS

Huna Totem Corporation proudly sponsored our hometown teams once again this year, and we are delighted to share their success. Both the Master's and C Bracket teams clinched championship titles, marking a triumphant tournament for Hoonah. To commemorate their achievements, custom Championship jackets were created for each team; one featuring a design by Krista Howland, granddaughter of Director Jack and the other a design by Richard Dalton III. These jackets were presented to the champions at our recent Hoonah Information Meeting. This event not only honored their athletic prowess but also highlighted our commitment to supporting local talent and fostering community spirit.

Congratulations to our champions from Huna Totem Corporation!
